

TOKEN TAILS

TOO LONG; DIDN'T MEOW

01

We are building a fun pixelated game around saving cats

02

The game will have a circular flow of NFTs linked with real shelter cats

03

We are raising a \$2.2m token round

MEOWGICAL

Core issues in web3 games

- **No real RWA** use cases
- Crypto games **lack a real mission**
- Web3 gaming more **hard than entertaining**

SO MEOW

PURRRFECT GAME

MUCH PURR

JOIN

That's where we come in

- **Simplifying Web3 Gaming and Enhancing Entertainment** - easy playing process, fun for web2 & web3 users
- **Real-World Application in Web3** - bridging the two worlds by integrating real cat welfare into game mechanics
- **Grinding with a purpose** - every minute you play is not wasted, but contributes to the welfare of our cat overlords
- **Everybody loves cats.**- *MEOW*

The Game

1. **Explore** our virtual NFT cat shelter
2. **Adopt** your purr-fect companion
3. **Take care** of your virtual cat
4. **Save virtual cats** in Purrquest RPG game to **save real cats** in the shelter

CATONOMICS

ABILITIES

Each NFT cat has its own ability that can be used in The Purrquest, such as Whiskerflame or Tailwind.

STATUS

Each cat has 9 lives. Lives are refilled periodically and can be bought in the marketplace

LINK TO THE CAT IN THE SHELTER

Each NFT cat will be linked with a real shelter cat. Commissions from all in-game activities are used to enhance the latter's wellbeing

WEARABLES

Gear: Hats, boots, capes, glasses
Consumables: Potions and treats bestowing in-game powers
Enhancements: Amulets providing unique in-game spells

ROYALTIES

Cats saved in the Purrquest can be purchased as playable characters, providing infinite royalties to the rescuer

LEVEL

In-game activities provide Paws Points which can be used to level up cats. Each level unlocks new items, powers and discounts.

YOUR VIRTUAL COMPANION ACTIVITIES

Love

Adopt, Feed, pet, exercise and take care of your cat. Earn points, make your cat happy, loveable and friendly

Play

Play with your cat in the entertaining RPG game **Purr Quest** where you can save other cats

Connect

Show off your cat in community contests, let your virtual cat make friends!

Customize

Boost your cat's inherent cuteness, including color, accessories, hats, collars and suits

NFT sales

In-game purchases of virtual cats, accessories, items and consumables .

Commission from each sale donated to cat shelters

ECONOMICS

\$TAILS utilization

In-game rewards, in-game sinks requiring token to develop cat and complete quests

Incentives

- Referrals
- In-game social network
- Community governance
- Real cats linked with NFTs
- Contests, events and challenges
- In-game NFT market + merchandise
